### DATE OF DESCRIPTION 2002

**DESCRIPTION** Station is about 4.85 miles north along the Norris Junction-Mammoth Hot Springs highway from Norris Junction, at the southern end of the pullout for Roaring Mountain on the east side of the road. Bench mark is 128 feet south of the exhibit panel for roaring mountain, 28 feet east of the center line of the highway, 14 feet west of a pool at the foot of the mountain, about 2 meters southeast of a sign “Roaring Mountain”, about 2 meters west of a sign “No travel beyond this point”, about 2 feet above the level of the highway, and in the top of a concrete post projecting 14 inches.

Looking north along the “Roaring Mountain” pullout at bench mark (in concrete post to the left of the tree in the foreground), signs, and exhibit.

Close up of bench mark and signs.

Looking south along the Mammoth-Norris highway from the “Roaring Mountain” exhibit boardwalk and the bench mark (near red car).
